

TOOLKIT

TECHNICAL SPECIFICATION

- The border of your design must be circular in shape.
- Your design must be 80 mm diameter.
- Minimum size: 600x600 pixels.
- Maximum size: 1000x1000 pixels.
- Maximum resolution: 300 dpi.
- File format: JPG or PNG.

CONTENT

- The competition is to design the obverse of the medal only.
- Your design (the front) should reflect the spirit of the Winter Youth Olympic Games.
- The Olympic rings should appear somewhere in your design.
- The Olympic rings must always be reproduced in their pure form. They may not be altered, formed from other elements or cut.
- Do not add text to your design, except if you wish to use the words Youth Olympic Games.

Upload your contribution from 2 February to 8 March 2023.
